

# Ministry Opportunities at Findlay

**SMALL GROUPS:**

Small Groups meet in the Church and in homes in the City.

They are a strategic part of the Churches desire to have an inclusive Church where folk can get involved with a smaller group of friends to have fellowship and importantly to pray and learn and study God's Word.

In a growing Church with new people coming regularly, it is impossible to get to know everyone, but in a smaller group we can share in discussion, prayer and study. In this way we can be built up in our faith and have a greater understanding of God.

You can be involved in Small Groups in a number of ways. Please tick how you would like to get involved from the following list:

- Attend a Leaders Training evening.
- Become a Leader—subject to training.
- Offer my home as a venue.
- Help with transport.
- Assist with Social events.

Please describe if you have been involved in some way in Small Groups before and in what capacity:

## YOUTH WORK SMALL GROUPS

**INTRODUCTION:**

We are privileged to have many people involved in ministries in the Church. God has given everyone gifts and talents which they can and should use in His service.

It may be that you know where your talents lie, and would like to know about opportunities to exercise these gifts within the framework of Findlay Church, or on the other hand you may be unsure if you have a particular gift, but are keen to find out where God might have a place for you, so that you can develop a gift.

This leaflet which relates to **Youth work and Small Groups** is designed to help you to prayerfully consider your sphere of service at Findlay.

**DO YOU WANT TO GET INVOLVED?**

What to do if you are interested in being involved in any of the activities mentioned.

Please complete this form and return it to the Administrator in the Church Office.

Some activities are governed by particular rules, most importantly the Youth work where only those who have been processed and passed under the Child Protection Scheme can be considered.

Other Ministries obviously require levels of skill, such as music. We do however want to give opportunity to develop latent skills, so it might be that even with limited knowledge you may be able to be trained in particular skills.

The Church is dependent on a Team Ministry approach, as no one person has all the skills available to do all the work in maintaining an effective and God Honouring work, so we hope and pray that as you consider the options available, you will find the right place where God will be able to use you in His service and for the Spiritual benefit of the whole Fellowship.
